- TALK ABOUT THE SCRIPTURE -

Did you know that it is against the law for anyone to use a fork to eat fried chicken in Gainesville, Georgia? There is also a law in Arkansas that says alligators cannot be kept in your bathtub! Where are we supposed to keep our alligators then?

These are real laws, but they're obviously very silly rules that aren't necessary. When God gave Adam and Eve the rule not to eat the fruit of one tree, it wasn't a silly rule though. God gave that rule so that Adam and Eve could continue to enjoy an amazing relationship with Him.

Even though God had provided everything they needed, Adam and Eve believed the lie that maybe there was something better. So, they ate the fruit and disobeyed God. Instead of finding something better, Adam and Eve lost the perfect world God had created for them. They were cast out of the garden and forced to live in a world broken by sin.

When Adam and Eve broke that rule, sin broke their relationship with God. From that moment on, all people became sinners who are separated from God. We live in a world that is noticeably broken by sin. Like Adam and Eve, we are guilty of choosing our own way instead of God's way.

But God still loves us! The whole Bible points us to Jesus as the promised Savior who would save sinners. Through faith in Jesus, we can once again have an amazing relationship with God that will last forever and ever.

**Ever since Adam and Eve sinned, all people have been born as sinners. Sin separates us from God, but God still loves us. God promised a Rescuer would come from Eve's family. God sent His Son, Jesus, to rescue people from sin and bring them back to God.**

***Pray:** God, help us to see that Your rules are perfect and for our good. We have all sinned and disobeyed You. Sin has broken our relationship with You, but we thank You for sending Jesus as the Savior we need. Help us to trust in Him so that we can experience the relationship we were created to have with You.*
