TALK ABOUT THE SCRIPTURE

In 1939, DC Comics introduced a character that would become quite famous: Batman. Batman fought crime and enforced justice for the people of Gotham City. Whenever the peace of Gotham was disturbed by criminals, the bat signal would light up the night sky, calling for Batman to come to the rescue.

As we open the Book of Exodus, we see God speaking to Moses—not through a bat signal but through a burning bush that never burned up. Why would God use such a dramatic sign to get Moses' attention? Because He was calling Moses to something amazing and possibly frightening: to rescue His people from slavery in Egypt.

In Exodus 3:10, God said to Moses, "Therefore, go. I am sending you to Pharaoh so that you may lead my people, the Israelites, out of Egypt." God promised to be with Moses and to supply the power he needed to free the Israelites.

**God saved Moses' life and called him to rescue God's people from slavery. The calling of Moses points to a greater calling and rescue—the call of Jesus to come to earth to save God's people. Jesus gave up His life to save us from slavery to sin.**

We all love a good rescue story like the ones from comic books, but the story of Jesus' rescue for sinners is 100% true and even more amazing!

***Pray:** God, we praise You because You are great. We see Your great power in the way that You used Moses to rescue the Israelites, and we see Your great love to send Jesus to rescue us from sin. Help us trust that You will be with us and give us the power we need to do what You call us to do.*

- LEARN SCRIPTURE -

*The key passage below is focused on at church. Consider talking about what this passage means and memorizing it as well.*

**God is not a man, that he  
might lie, or a son of man,  
that he might change his mind.  
Does he speak and not act,  
or promise and not fulfill?**

Numbers 23:19

## Family Worship Experience

- SING SCRIPTURE -

Finish your family worship experience by playing the Key Passage song to worship and as a further way to memorize Scripture.
